

## Resources for iPad and iOS devices in Education

An excellent introduction to iPad in Education can be found at <http://www.apple.com/education/ipad/>, including links to app collections, iTunesU, and much, much more.

In addition, see iPad Support <http://www.apple.com/support/ipad/> and Education Resource page <http://www.apple.com/education/ipad/resources/> Tutorials, “how-to” and “getting started” guides for Educators and IT.

Learning in Action <http://learninginaction.apple.com>

Another excellent resource that features live and archived Events, Best Practices and Learn How.

Apple Education Apps, Books, and More [<link>](#)

### Apple Distinguished Educator Resources

ADE Reviewed App Collections <http://appitic.com/>

A directory of apps maintained by ADEs to help you transform teaching and learning. These apps have been tested and can be searched by grade level, instructional strategy, etc.

ADE videos on iTunesU [<link>](#)

Padagogy Wheel v.3.0 <http://padagogy.net>

A guide to assist in correlating apps and activities with the SAMR Technology Continuum and Bloom’s Revised Taxonomy.

## Apple Learning Series (Mac OS and iOS) on iTunesU

Apple Learning Series <http://itunes.com/AppleLearningSeries> consists of fifteen courses that are self-paced tutorials designed to help educators learn foundational skills to effectively use Apple products and apps for teaching and learning. Each course provides basic skills coaching, tips for effective use, ideas for curriculum engagement, and an opportunity to practice and apply the skills learned in the course. Free.

## User Guide

iPad User Guide for iOS 7 [<link>](#)

Everything you need to know about iPad, in a handy eBook format. Also available in pdf [<link>](#)

## Other iOS and App Resources
